6.

7. There are concerns triggered, international
 interstellar-privatepressconfereences furiously
 rapid demanded.

They don't realize that we are ALWAYS dead,
 continually falling&dying to our Future Hells! For
 what can they say to US with absolute unimpregnation '9
 ? status??

And what of the flesh&blood between us?

They of the perpetually falling derkangels, the
 elite few who knew.

AND now we with complete laserdefencesystems
 your solarsystem.

WE who rule this mightyUniverse, **IMMORTAL**
 TWI \/\ / S

Who do-not-know we are death to liars&cowards
 also telepathic&empathic.

Who so continue to insult us so'0'

And spy

And falselycollaborate

And lie,
And perpetuate.

Bah!

8. We made our givance through our rituals.

WE INVINCIBLE with everlasting
dorkness enfolding us and the rays firing out of
Horus's eyes cannot be conquered because you connot,
hellas you, connot in reverse penetrate our
magneticmembranes with similar stolengoods. In
